5:00-6:30pm

Meeting Minutes (*these have been approved by Christi Larson and Julie Frost*):

Meeting called to order at 5:00pm

- Tanya (president) led The Our Father prayer
- May meeting minutes approved as written. Tanya McClelland approved and Julie Frost seconded.

- Financials (Christi)
 - The locker fundraiser raised \$727 profit. The current balance in our account is \$38,000.
- Secretary position replacement for Jenn Schmit.
 - Jenn has decided to step down. She will help with the softball tournament sign-up genius, the sports physicals, and helping her replacement do sign-up genius for fall sports.
 - Tanya will get a communication drafted for LeighAnne to send out via email to all parents and Julie Miller will post on Facebook Booster Club and School page to get interest.
- Janice Frost- Bus Driver (Tanya)
 - Janice Frost would like \$15.00 per hour and has not signed her contract to return for the fall. The Booster Club unanimously decided we are in favor of keeping with the amount that was in her contract is fair and we are not in favor of paying the increased amount of \$15.00.
 - Tanya will let Casey know our decision on Monday via email.
- Gold Cards (All) let's start working on contacting businesses
 - Tanya read off the businesses and we split them up. We also brainstormed some new businesses to add that are not food related.
 - When are looking at having a final list to put on the cards by end of June.
 - Sent to printer and have back by end of July before fall sports and back to school night happens.
- Concessions
 - Julie Miller asked why we don't have concessions open after jr high games. It was discussed that normally there isn't concessions after these and if needed, they can stay open and serve candy and pop (but would still clean the equipment).
 - Hot water heater was possibly not working? Tom is checking with Del on this.
 - Reminders have not been sent by Billi to workers. We need to make sure these are sent, especially in the middle of the season when people start forgetting when they signed up.
 - Softball Tournament (June 28/29) – Jenn is working on the sign up genius to go out next week. We already have a few signed up and we need to get jr high baseball and softball rosters from Braxton to make sure all those parents have signed up their required times.

The high school player's parents have all been accounted for and signed up from what we can tell. Tanya will ask Braxton and Jenn about the jr high rosters.

- Amy mentioned that when she worked concessions the money had not been counted before or after from what she could tell.
- Sports Programs for fall (Christi)
