May 7th, 2018 Members Present: Christi Larson, Jenn Schmit, Tanya McClelland and Julie Frost

Tanya called the meeting to order and lead the prayer at 5:45 PM.

Approval of Agenda: Christi approved the agenda, Julie seconded.

Old Business:

1. Concessions Position - received interest on position. Will clarify and have interviews scheduled by end of May. Transition period will be August for new person on position.
2. Student concession volunteers – not much response received to do this. May decide to phase this out.
3. Concessions Softball/Baseball – Changing sign up genius to show when varsity only that we only need 3 workers. Will start soliciting for the softball tournament as we don't have all the slots correctly in sign up genius. Working with Nikki Brown to make sure we have coverage. Having LeighAnne send a reminder that the sign up deadline is approaching.
4. Locker fundraiser- get paper copies to the school.
5. Dumpster by football field- will follow up with Tom H.
6. Shirts for softball tournament – Patty Rhoads will take care of and we will get a small kick back.

New Business:

1. Snap fundraising – tabled until next month since Tom was unable to attend this meeting.
2. Lance Springer signage – we aren't real sure on the process for updating signage and new signs. Need to get with Tom, Donna, and Tiffany, and Leo Becker
3. Blaine Rhoads – came to meeting to discuss the nets and screens for the softball/baseball teams. The screens are an immediate need and a hazard. The nets also need to be replaced. We voted and agreed to immediately pay for new screens (approx.. \$300). Blaine will get an estimate for the nets and get back to us to pay for them.
