- Guest Speaker Requests
 - Patrick Abildtrup, Paige Corkery and Callie Weber attended the meeting to request additional funds for girl's basketball uniforms. The last uniforms purchased were men's and do not fit properly. The girl's wore the old uniforms rather than new ones due to the poor fit. Patrick has researched several vendors and anticipated they would need an additional \$2,000.00. Booster Club agreed to provide the additional funds. We will reach out to Iowa Sports Supply to see if they offer uniforms since we have a business relationship with them.
 - Patrick requested funds to assist the team with attending team camps this summer. In an effort to rebuild the girl's basketball program, he would like to be able to pay for these camps rather than asking the parents to fund. The girls agreed to work at the Car Show to raise the funds needed for summer camps.
