

Booster Club Meeting

Monday March 4, 2019
6:00-7:00pm

Meeting Minutes:

Attendees: Tanya McClelland (president), Christi Larson (treasurer), Julie Frost (VP), Jenn Schmit (secretary), Tom Hogan (AD), Sam Bergan (staff/teacher rep), Sue Koppman (parent)

- Meeting called to order at 6:00pm
- Tanya (president) led The Our Father prayer
- February 4, 2019 meeting minutes approved as written. Tanya approved and Julie seconded.
- **Financials** – Christi – We don't have financials yet, however as of right now we have approximately \$43,000 net profit.
- **Concessions** – Hot water heater and cabinet(s) for baseball/softball diamonds.

Hot water heater - Dell (school janitor) is looking in to this. Tom will follow up. It was decided we will purchase a new unit no matter the price, as it is a priority. BC will follow up with Tom regarding the purchase and when it will be installed.

Cabinet - We want to purchase a cabinet and some storage pieces for the baseball/softball diamonds. It was decided that we will measure the dimensions when we clean out the concessions for the season, (April or early May), and purchase something at that time.

- **Apparel**

- Advertise what we have in the office and sell
- Post Prom will be wanting a few items – donate to them
- Generic order- should we do the cheap generic order before school starts so we have for sign up day?
- Golf
- Track

We picked a night (March 7th) to get in and have the office opened up to take pictures and sell the merchandise. Will advertise via email through the school and through FB (in April) and also possibly do a night we can sell- spring concert (May)? In June we can look at selling items at a softball/baseball home game.

We will donate water bottles and other items we have available to post prom.

Golf/Track - Need final approval from coaches for designs (Tanya and Julie M. are following up with them). We will do paper forms for this. Will follow up with Patty to get these orders completed. State wrestling shirts- following up with Patty on design and webstore to be done.

- **Mowing (Casey's message), recap meeting from Friday and plans going forward -**

Completed a job description for the mowing position. Casey will field any questions and accept the applications. The deadline to have application is March 15th, interviews to follow and then have a goal of filling the job by April 1st. Julie, Tanya, and Casey will be on the panel for interviews. Advertise the job in the church bulletin, email/newsletter through the school, and FB.

- **Fundraiser about a toilet (Christi), follow up and discuss.**

We are still working on ideas for this. The fundraising push is to buy a new scoreboard for the football field. This will have to be purchased and installed before the 2019 season begins. The cost will be approximately \$15,000 from the BC.

- **Things to think about coming up:**

*St. Mary's concessions- clean up – need to do after winter sports and before school is out.

Meeting adjourned at 7:25pm

Next meeting Monday April 1th 6:00-7:00pm in Tom Hogan's classroom.
