New Business -

- Fundraising Timeline: Casey Redmond and Scott Becker came to discuss the future of fundraising efforts for the Booster Club. Going forward, we will continue with the very minimal fundraising we have on the calendar for 2018/2019. The school board is working on a new contribution system to eliminate businesses having to give many times a year. More information to come from the school board.
- Softball Tourney: Still working on concession and gate workers. Getting Nikki Brown involved to help. We will not have tents provided this year.
- Concessions bathroom cleaning duties: Need to remind all gate workers that it is now their responsibility to clean bathrooms when games are done.
- Gold Cards – Tom sent this information from last year to Tanya. Discussed possible vendors to place on this years cards. Tanya will work on getting these ready for print by mid July.
- Sports Physicals Update – The date has been set for August 6<sup>th</sup>. Jenn is still working on the doctors that can be available (need 2) as well as the nurses and CNAs that are needed (need 3 nurses and 3 CNAs).
- Volleyball tourney date: Will defer to Billy Purdy for information as she is in charge of this tourney.

Old Business -

- Concessions position: Billy Purdy was offered and has accepted the position.
- Concessions baseball and softball openings: Still working to fill 7/2 and 7/3 baseball openings. Julie Frost and Jenn Schmit will work the 7/4 openings.
- Dumpster by football field: It was determined that due to appliances and other unwanted items being left at this site, we will need to remove the dumpster. Besides being an eyesore at the field, we are paying for disposal of appliances and other items which defeats the purpose of the dumpster.
