

Draft Summary of Booster Club Meeting 12/5/2012

Finance/Presentation of Budget - current balance in checking - \$27,181, net worth - \$69,351. Motion made and carried to make the final payment (\$12,500) to the building campaign now instead of waiting until January.

Merchandise/Apparel - will not be doing any more shirts for football. General items have been ordered. Wrestling & Basketball forms are due next week.

Fundraising - reviewed fundraising schedule for FY13/14. Will not do football frenzy sweepstakes next year. Tom Hogan proposed selling yard sticks for the home games and at the end of the 1st, 2nd, 3rd quarter wherever the ball ended up, the person who bought that yard would win a cash prize. Estimated to raise \$1500. Tom will contact Chad Kelly about doing a MS basketball tournament for girls and boys. Club Volleyball tournament has had only 17 teams register so far - may need to consider doing something else in the future. Amy Frost suggested we sell movie tickets. With each ticket sold, the buyer gets a coupon for \$3 off at the concession stand. Booster Club will pick up fruit sales, peach sales, and Applebees/Carlos O'Kelleys coupons so Development Office can focus on Daily Bread. Trudy will complete fundraising application and submit it with the list of fundraisers.

Hall of Fame - Best of the Best - approximately 210 attended. Profit is about \$1400 plus \$800 from t-shirts sold that night.

Concessions - Shannon will be taking care of the club tournament concessions, and Kim has people lined up for the wrestling tournament. Karen inquired about the possibility of getting a pretzle warmer as it is difficult to keep up with demand in the concession stand. Trudy will check with Best Rental to see if they have one we can borrow to try out.

Raffle Letter/Tickets - raffle tickets will go out with the alumni newsletter in January; drawing will be at the end of Catholic Schools week following the breakfast. Prizes will be a little different with the top prize being more than in the past and not have as many \$50 winners. Trudy will work on the tickets and letter.

Punch Passes - we have just about depleted the inventory of punch passes and will be printing the new passes. The new passes will be \$20 each for 5 games (buy 4 get 1 free). Karen will design the pass and send to Kim.
