Bosco Catholic School System Creates Development Office and Foundation Committee

During 2017, the Bosco System School Board finalized the structure of a new committee, the Development Office and Foundation Committee in order to better organize resources around a specific mission to grow and sustain the Bosco System. Since then, the Executive Committee of the school board appointed six members of the committee based on demonstrated ability to meet skills and competencies listed on the Committee Member Job Description. Each committee member is appointed for a single three-year term. In addition to the six-person committee, the Executive Committee of the School Board appointed two school board members to the committee. The Pastoral Coordinator (appointed by the Archbishop) of the school along with the aforementioned members are voting member of the committee.

Mission
