With support from families, we respect and encourage students to reach their potential **Spiritually** by developing a strong relationship with Jesus and knowledge of His church, **Academically** by igniting learning, leadership and life skills, **Physically** by learning about and living healthy habits and **Socially** by becoming active members of the community who serve others as stewards of the Gospel so they are the light of Christ in the world.

## ATTENTION PARENTS!

Welcome to the 2022 FUN RUN where The Great Outdoors is coming to you! Parents, go to [mybooster.com](http://mybooster.com) TODAY to register your child. Students, start rounding up your list of friends and family who want to donate towards your goal!

This year our school goal is \$25,000. Our profit will support the school in two ways, both in building updates as well as educationally for students and teachers.

First, we will add to last year's \$50,000+ toward the goal of new windows/potential air conditioning units. Similar to our updated bathrooms, we will need more than one year of fundraising to complete this new project. If we can compete with our profit from last year, this could be a reality sooner than later!

Second, we will continue to send students and teachers on educational field trips. This is a great opportunity to enhance their curriculum and give them hands-on learning. Teachers and students alike are excited to continue these opportunities!

Alright campers, mark your calendars for our big Fun Run event on Friday, October 7, 2022 at the DB football field at 1:00pm! Students will run for 30 minutes and earn donations for each minute they run. Start looking for your best camo, hunting orange, or lumberjack attire to run in, this is going to be one adventure you won't want to miss. 🐻 🐾

IMMACULATE CONCEPTION, let's light it up! 🔥 🔥 🔥

### *Don Bosco High School Homecoming 2022*

On Monday, September 19, we will have an out of uniform Spirit Day. ALL students and staff are encouraged to show their support by wearing Bosco Catholic School colors. A K-12 Pep-Rally at 1:30 will kick-off Homecoming Week.

On Wednesday, September 21, at 5:30pm plan to attend the parade beginning at the school going through town ending at the football field with a community Pep-Rally. The Pep-Rally will include the celebration of Fall Sports and the presentation of Homecoming Court.

The homecoming football game vs Dunkerton is at 7:00pm Friday, September 23.

All other activities throughout the week are for high school students/staff only!

### *Nurse's Notes*

Did you know that only 1 in 4 adults eat five servings of vegetables and fruit a day according to Healthfinder. Eating 5 servings of vegetables and or fruit a day reduces your risk of heart disease, some types of cancer, helps you maintain a healthy weight and helps keep your body strong and healthy. Adding vegetables to casseroles or slow cooker recipes is a good way to include more vegetables. Add a salad or broth based vegetable soup as a starter to your meal. Try eating vegetables and fruit in their whole state, not juice. Prepare your vegetables and fruit when you get home from the store. You are more likely to eat them if they are ready to go when you are. Include a rainbow of colors. Marianne Hickey RN

### **From Mr. Chicchelly...**

So far in PE classes we have dove into a Kickball unit for all K-8 classes. As you can imagine, the younger classes are just beginning the rules and understanding of kickball. It's pretty comical watching kindergartener's run around the bases ;)

The upper elementary classes (3,4,5) have a pretty decent understanding of the game and are doing very well utilizing their teammates to Synergize with one another. It's a good feeling watching our kiddo's use the 7 Habits during class time.

As for the Middle School students, we are playing different types of kickball games. Ex: Regular kickball, Matball, Long Ball and eventually Speed Ball.

I have truly enjoyed being the PE teacher here for the past 7 years. We have wonderful children here at the BCSS and I enjoy being able to see them every day. Take care!

### **W.I.N. Time!**

We are so excited to begin a new program in our school called WIN time. This stands for What I Need. Students in grades K-5 will be split up to get small group, differentiated instruction that will meet the unique needs of each learner. These groups are fluid and will change as students' needs and our class data change. This will take place for approximately 20 minutes a day, every day. We are so excited to be able to provide this to our students and see the growth they can make from this rigorous, targeted instruction.
