

DEVICE PROTECTION PLAN

The BCSS recognizes that with the implementation of the Device initiative, there is a need to protect the investment of the district and the interest of the students and parents. The following outlines three options are available to families. **(Families MUST report an option of Device protection. Until the report is returned, the BCSS will list your family as “No Insurance”, and families will be responsible for the full repair/ replacement costs of a damaged Device.)**

No Insurance

_____ I choose not to have insurance for my student’s Device. I agree to pay for the replacement or repair should the Device be lost, stolen, or damaged in any way. **Replacement screens can run \$200 per iPad — \$550 for MacBook Air**

Personal Insurance

_____ I intend to cover the Device under my own insurance policy. I understand that I am responsible for full payment for replacement or repair and that I agree to pay the District the amount received from my insurance company plus any additional amount needed to cover the Device replacement. I will provide proof of insurance to the School before the Device can go home.

School District Insurance

_____ I choose to purchase the optional Protection plan provided through WorthAve Group. **Sign-up and payments for this will be online directly with the company - the website will be provided on the BCSS website.**

This annual coverage begins upon receipt of the payment and ends at the conclusion of each school year. Costs for repair/replacement of this Protection Plan will be:

- iPad Air \$52
- Mac Air \$71

There is no \$0 deductible for each repair.
