Scholarship Opportunities

Scholarship Program

The Community Foundation of Northeast Iowa's scholarship program connects students seeking resources for higher education to scholarships created by people who have committed to student success through the establishment of a scholarship fund. CFNEIA is honored to carry out their goal of enriching communities by helping students reach their educational dreams.

Types of Scholarships

Scholarships are awarded based on various criteria, including, but not limited to:

- Academic excellence
- Financial need
- For pursuing certain careers or majors (including things like music, nursing, finance, athletics, and journalism)
- Past experiences (community service, student government, etc.)
- Other (including having attended specific schools, for certain minorities, etc.)

See the **Scholarship Eligibility Checklist** on our **Scholarship Opportunities** web page at www.cfneia.org/scholarships to see if you are eligible for a scholarship.

Application Details

A common application is utilized for the majority of scholarships. Information required includes:

- Basic information about who you are (name, address, birthdate, etc.)
- A summary of your extra-curricular experiences (activities, volunteering, jobs, etc.)
- A transcript of your academic record. (An unofficial transcript will work.)
- An essay that addresses the following: What are your educational goals and the steps that you will take to achieve those goals? What are your career goals and the steps you will take to achieve them? Why did you choose these goals?
- A letter of recommendation.
