

THE BOSCO BUGLE

August 2022

Welcome Fr. Diehm!

We are pleased to announce the arrival of Father Noah J. Diehm. Fr. Diehm is the new pastor for Immaculate Conception and St. Joseph parishes as well as the pastoral coordinator for the Bosco Catholic School System. He has been a priest for 11 years and most recently has served as the pastor of the La Salle Pastorate and the parishes of Balltown, Holy Cross, Luxemburg, Rickardsville, and Sherrill before being assigned here.

Fr. Diehm was familiar with Gilbertville before receiving this assignment. He and Fr. Huber were in the same priest support group for the last 11 years which would often rotate its meetings between Waterloo and Gilbertville. Fr. Diehm says he has heard a lot of great things about 8-man football, wrestling, and many other activities at the school and parish.

Fr. Diehm looks forward to working together with parents, teachers, and parish members to build a truly excellent experience for the Bosco System students. Not only in building their education but in building their Catholic faith.

NEW FOR 2022-2023-ACTIVITY GROUP REUNIONS

We've added a whole new way to get back together with your friends from school
- Activity Group Reunions!!

- Football/Cross Country/Cheerleading- at the Football Homecoming Game on Friday, September 23rd. (Check-in at the main entrance by the concession stand. We'll have special sections for each group to gather before and during the game and we'll announce your group at halftime.)
- On Thursday, September 29th we will recognize our former volleyball players between the Junior Varsity and Varsity matches.
- Marching Band and Color Guard at Band Night at the community performance on October 9th at the football field.

CALLING ALL ALUMNI - Class Challenge!

The Bosco Catholic School System is in need of replenishing it's technology and transportation funds. The technology fund supports our 1:1 student:device ratio, servers, and additional computer-related equipment.

The transportation fund helps with the repair, maintenance and replacement of our student transportation fleet. We currently have 2 buses and 3 vans for transporting students to and from school and all activities. We are in need of adding a third bus to our fleet.

Even Graduating Years will support the Technology Fund and Odd Graduating Years will support the Transportation Fund.

Any gifts for the Class Challenge should be sent to Don Bosco High School, PO Box 106, Gilbertville, IA. Checks should be made out to BCSS with the memo line stating Class Challenge and your graduation year. All classes that contribute a minimum of \$2000 or have at least 50% of their class contribute at least \$20 will be recognized next May. A special recognition will be awarded to the class with the highest total contribution and highest participation.

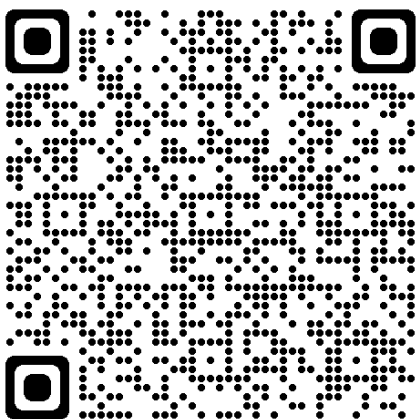

Alumni Apparel Now Available!
