March 2024

Dear **Alumni, Friends, and Family of Bosco Catholic School System,**

Thank you for your continued support of the Bosco Catholic School System Booster Club!

The BCSS Booster Club provides significant financial support for all extra-curricular activities at Don Bosco High School and Immaculate Conception Middle School. Proceeds from our fundraising efforts support programs' operating budgets for supplies, entry fees, equipment, uniforms, officials, transportation, and all other expenses associated with athletics, fine arts, and other extracurricular activities.

Booster Club coordinates the gate and concession volunteers for all events, seeks sports program advertising, sells Gold Card coupon booklets, hosts the summer Golf Outing, and offers Bosco merchandise and apparel throughout the year. **Our Spring Fundraiser is a critical component in raising the \$75,000+ that the Booster Club needs to contribute to the budget each year. This is a substantial amount to raise and we need your help to provide activities and athletics for our students.**

With this letter, **we are asking you to donate to the Bosco System Booster Club Spring Fundraiser.**

To thank you and add the "fun" to our "fundraiser," we would love to enter your name in our drawing for \$500. To automatically be entered, simply make a donation by April 8, 2024.* The winner will be notified on April 10.

Everyone is encouraged to attend Booster Club meetings and to get involved in our projects and events. We post volunteer opportunities on our Booster Club Facebook page and welcome all to lend a helping hand. Proceeds from our fundraising benefit every student within the Bosco Catholic School System. The Booster Club typically meets the first Monday of each month at Don Bosco High School at 6 p.m.

Bosco Catholic School System, our coaches, our families, and our students appreciate your support. We can't offer what we do without you!

Sincerely,

Laura Dobson
